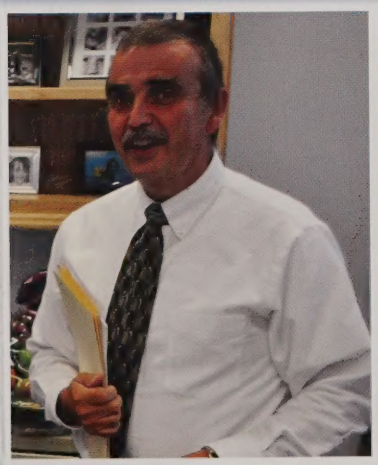
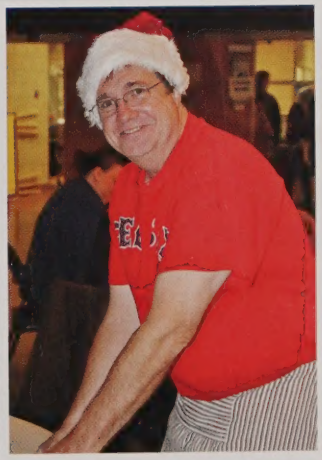
LEADERSHIP MOMENTS





SPECIAL THANKS

"I had a great time planning our events, working as a team, and knowing that our advisors were doing their best, for us."

Jessica Cahill, Class President

"Our class advisors were just amazing, and they made sure everything went smooth for our graduating class."

"What more can I say other than the past four years has been great, and we have our advisors to thank for it."

Chelsea Rondeau, Vice President

Special Thanks & Dedication

"We wanted to say thank you for everything you have done over the past four years. You took the time to make sure that we not only had memorable moments, but we had fun as well. We were lucky to have you both as our class advisors, and we will miss you very much. Good luck, and feel free to rest now, you've earned it."

Sincerely, The Senior Class

SPECIAL THANKS

"When there is a broken computer, or when the Internet is slow, we know help is a phone call away."

Teachers & Staff

"When a student needs to use the elevator, or needs to make copies, we can always count on the Media Staff."

Students, Class of 2013

MANY MORE THANKS TO....

"We wanted to say thank you a great deal for everything you did for our class. You took the time to make sure that we not only had great lunches, but you also took the time to talk to us and ask us about our day. We know you always did your best because you cared about us. On behalf of the senior class we wanted to say thank you."

Smart Choices

Start With Smart Decisions

Mrs. MacDermott-Keefe & Mrs. Clark telling students to be careful and cautious on the road.

S.A.D.D.

S.A.D.D. was founded in 1981 as Students Against Drunk Driving. Our mission, simply stated, is to provide students with the best prevention and intervention tools possible to deal with the issues of underage drinking, other drug use, impaired driving, and other destructive decisions. Remember too, cyberbullying is still bullying. Be kind, sincere, positive and make all of your decisions smart, but some decisions, last a lifetime.

Smart Decisions will lead to a Smart Life....

Goodbye Mrs. Clark

"I wanted to take this time to say thank you to Mrs. Clark. She has been wandering the halls of Bay Path for four decades, helping students develop a love for English, doing her best to recognize academic excellence and informing students on how to make smarter choices. You have made a difference in my life, as well as thousands of others."

Robotics

Machine Tool Technology, Electronics and Drafting join forces to put together a team of talented students to make up the Robotics Team. The House Project is by far one of the most rewarding vocational activities at our school. The school has been building houses in our district towns for several years and it gives our students the chance to get real, on the job, training. Hello There....

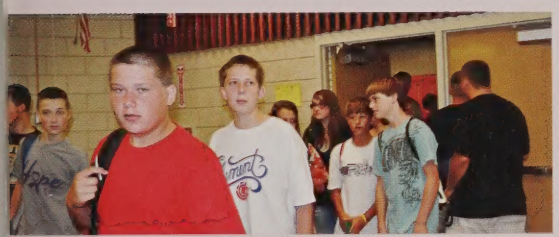
Welcome to Bay Path



Welcome

Every year when the summer is over and school is back in session, Bay Path welcomes a new crop of freshmen students. The 1st day of school for freshmen is usually riddled with confusion, a little fear and a lot of anxiety, but it does not take long for them to get help from other students, learn their way around the school and find new friends. In the end these freshmen will graduate and never forget their 1st day of school.

In the end, Jaime, Gabe, Andrew and Eric did their best on the dance floor to show off their moves to the crowd. It was a fun and exciting night had by all.

FALL SPORTS

From Golf to Cross Country, and from Soccer to Football, Bay Path in the Fall is Fantastic

When the leaves change colors and the temperature drops it means a few things. First, it means school is underway and Halloween is right around the corner, but second, it also means Football is back in full gear. Football at Bay Path is something of a real tradition and with the leadership of Coach Dhembe, it usually means another trip to the Superbowl, which became a reality.

Coach Martinson brought the Boys Varsity Soccer team to the playoffs this year, and we even made it past the first round of playoff games.

The other teams did fantastic and stayed competitive the entire season. All in all the coaches were proud of their players, and the players had fun on the field. Another successful Fall sport's season at Bay Path.

WINTER SPORTS

From Basketball to Cheerleading, the Winter Sports at Bay Path are a Real Crowd Pleaser

When the leaves have fallen completely off the trees, the wind is cold and brisk and the snow is falling it means a few things. First, it means winter break is right around the corner, but second, it also means basketball is back in play. With the retirement of Coach Lambert, Coach Selen took over, and also Coach Selen's son is coaching next to him at Junior Varsity.

Coach Greenough took the Boys Varsity Basketball team to the playoffs for the second straight year and also qualified for the Massachusetts Vocational Tournament. The team played very well and has a lot to be proud of, as did all the teams.

Right next to the teams each and every game were the Bay Path Varsity and Junior Varsity Cheerleaders. Doing their best to keep our players motivated our cheering squad is top notch. All in all the coaches were proud of their players, and the players had fun on the court. Another great Winter sport's season at Bay Path.

SPRING SPORTS

After the thaw, it was Baseball & Softball Season on Muggett Hill

When the snow has cleared, usually, and the flowers are in full bloom it means a few things. First, it means spring break is a heartbeat away, but second, it also means baseball and softball are back in action. The coaches took their respective positions and practice started after the last storm. After having one of the snowiest winters on record our students were more than happy to welcome these sports back to the hill. The coaches were eager, the students were ready and the time was right.

The coaches welcomed the new players to their respective teams, and confessed that there was even more talent and motivation this year than ever before. "The players are practicing harder, more often, and seem to be more positive," said Coach Sansoucy. All in all the coaches were proud of their players, and the players had fun on the field. Good Luck in Life

"To my 1st complete graduating class, I hope you take away a great deal from what you have learned at Bay Path, and in Office Technology. I wish only the best for you all, and I hope you achieve everything you want in life, but try to, take chances, stay focused, make wise choices, roll with the punches, be kind to people, do really silly things, laugh every chance you get, know when to be serious, think before you act, be responsible, and always take other people's feelings into account. Do these things and not only will you will be proud of yourself, but other people will be as well."
